

CAPSTONE COURSES PROGRAM

More than 90 sponsors
including 60 companies

CIT , McKesson , Honey Well ,
PSE&G , NJ governor's office ,
National Gaurd , Saint Clair
Health , Newark Housing
authority , Bayer and NASA
are few examples of our
industry sponsors

I was so impressed with the whole
process. I am amazed at how talented,
professional and responsive the team was
to the project.
Marilyn Mahon

Group Manager, Quality Assurance - IMS
Health

"We have 50 NJIT student interns who are
studying information technology and
computer science, working on eight
projects. Having them work for us has
allowed us to jump ahead in our work."
